

## Tile-In Clamping-Ring Drain

### *Elegant Design - Seamless Look*

Noble Company expands its selection of clamping-ring drains to include the stylish look of a tile-in head. This PVC base unit is available in either a 4" head or a 5" head, creating a drainage slot for the water to disappear into. This tile-in clamping ring drain be used in full mortar bed applications, or in thin-bed installations with minimum 1-1/8" NobleFlex Drain Flashing®.
